KP Windows is a family owned and operated business with over 20 years of experience in the window and building industry.

We manufacture, supply and install aluminium doors and windows Victoria wide; and take pride in the quality and design of our products.

All our products are compliant with all Australian Standards outlined in the Building Code of Australia and can be tailored to suit your projects energy rating and BAL requirements.

Our commitment to keeping up to date with the latest designs and concepts allows us to use our knowledge and industry experience to tailor our products to suit the needs of your project.

We specialize in, but are not limited to:

- ☐ Schools
- ☐ High rise Developments
- ☐ Shop fronts
- ☐ Automatic Doors
- ☐ Curtain Walls
- ☐ Building renovation to make them DDA compliant.

We manufacture, supply and install the following products:

#### Aluminium Doors

- ☐ Bi fold
- ☐ Sliding
- ☐ Entry doors
- ☐ Auto doors
- ☐ Stackers
- ☐ Frameless

#### Aluminium Windows

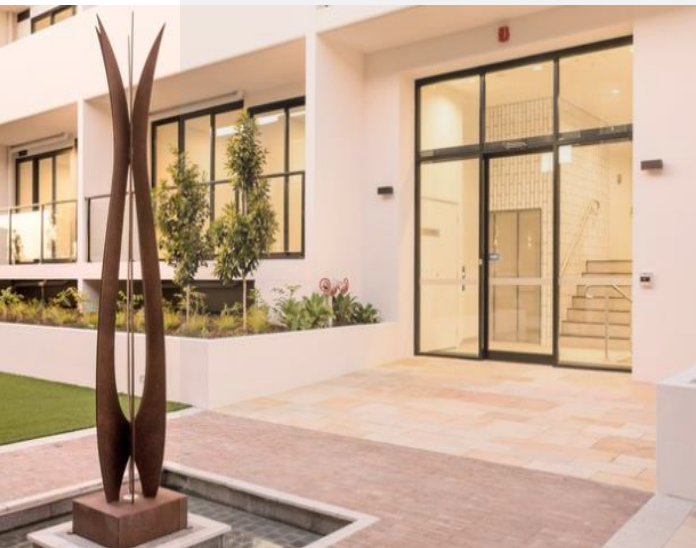

- ☐ Awning
- ☐ Sliding
- ☐ Sashless
- ☐ Double hung
- ☐ Louvers - Aluminium and glass

#### Speciality Glass options

- ☐ Glass Louvers
- ☐ Curved
- ☐ Round
- ☐ Large glass panel craning
- ☐ Sky Lites
- ☐ Trafficable Floor Glass
- ☐ Mirrors

All our Aluminium products can be power coated to suit your project. We use the Standard Dulux and Interpon colour range. Speciality colours are available upon request at an additional cost.

KP Windows also offers the following services:

- ☐ Supply and installation of products
- ☐ All Glazing options - meet Australian standards (Glazing codes)
- ☐ Window replacement
- ☐ Building renovation to meet DDA compliance

**Warranties:**

- ☐ Standard 7 year warranty for materials
